

What the champs think

We are thrilled to welcome the support of Commonwealth and World Heptathlon Champion, Katarina Johnson-Thompson and the World's fastest man, Usain Bolt. We truly believe their involvement will help to inspire children further.

“ I am passionate about giving children and young people the opportunity to play, participate in sport and develop their athletic skills. I am proud to be supporting EnerTOR in activating the funetics programmes. ”

Usain Bolt

Brand ambassador of EnerTOR, funetics insole partner

“ funetics is a fantastic opportunity for more young children to access running, jumping and throwing at an early age and in a way that is fun, safe and nurturing and accessible all year round. For parents to be able to track their child's progress digitally is amazing. I am proud to be an ambassador of funetics and supporting children to get more active. ”

Katarina Johnson-Thompson

funetics Ambassador

School pricelist

Give your pupils immediate and safe access to fun athletics activities.

What is funetics?

funetics is an athletics-based physical literacy programme, created by England Athletics to help 4-11 year old children across the country to learn, develop and practise the fundamental athletics skills of running, jumping and throwing, all year round.

How can funetics help your school and help teachers?

The funetics programme can your school in four key areas:

- **Delivery** – We have a team of trained coaches who can deliver funetics lessons during breakfast, curriculum and after school clubs.
- **Training and support** – We can provide access to a one-day teacher training course and further mentoring support.
- **Resources** – We have a suite of resources including lesson plans, schemes of work and access to a digital platform that tracks and assesses a child against the funetics programme stages.
- **Kit and equipment** – We have a range of kit and equipment that can support the delivery of funetics within your school.

funetics is not just about physical activity...

funetics is all about helping the children at your school to be active, happy and healthy.

The key benefits to your school and pupils are:

- funetics is ready to use now or anytime in the future
- It's accessible to all teachers with built-in training and support
- It can easily be delivered inside or outside, with social distancing
- Children can bring their own 'equipment' to help with Covid-19 guidance
- All activities are trackable by all your teachers and parents too
- It is rich in content
- It supports your own school outcomes and is line with the Sport & National Curriculum
- Sessions can be delivered in breakfast and after schools clubs or in curriculum time
- It is accessible all year round
- Developing fundamental movement skills is essential not just for athletics but all sports
- funetics is not just about physical education – it also supports cognitive, emotional and social learning
- Created by England Athletics so you can be confident in its competency
- funetics is backed by the world's fastest man Usain Bolt and UK superstar Katarina Johnson-Thompson
- funetics is fun!

Reward for your pupils. Full visibility for you.

funetics is all about helping you to make your pupils' experience of physical activity a fun and rewarding experience. At the same time, funetics allows you and your school – alongside parents – full visibility of your pupils' activities and performance.

funetics offers long term trackable physical literacy against a skills-based competency framework.

Teachers (via the funetics Coach App) have the ability to track a child's progress at an individual, class and school level.

Content includes:

- Lesson plans and activities
- Session details
- Bookings and attendance
- Awards for achievement

Parents can also monitor their child's progress (via the funetics App) saving your teachers the task of additional updates and reports.
