NEWS

Welcome back to school, which I hope, will be fun and memorable. This year will be exciting as we have lots of great trips planned, exciting work and this will lead to some memorable experiences. I too am looking forward to new experiences so in July 2023, I will be leaving Broad Heath and a new Headteacher will be taking over in September.

My time at this school has been memorable and I will take with me many things, which I am proud. I hope that the legacy that myself and that my team have created will be remembered with fondness. I will keep you updated of any appointments
